Please leave your comments or questions below.	<p>A suggestion with regards to negotiations with the resort regarding funding for transit services.</p> <p>Would it be possible for the city to require the resort pay a fee for bus service stopping at the Gondola Transit Center, Ski Time Square, Burgess Creek Road, Meadows Parking Lot, and Hallmark?</p> <p>It is not a tax, but a a fee being paid for a service. They might only want to pay for the GTC stop. So I would make it the same rate for one or all stops (i.e. \$250K for winter and \$100K for summer).</p>
