

CITY COUNCIL COMMUNICATION FORM

FROM: Chuck Cerasoli, Interim Fire Chief
THROUGH: Gary Suiter, City Manager
DATE: February 11, 2020
ITEM: Central Fire Station Site Selection Update.

DIRECTION
 INFORMATION
 ORDINANCE
 MOTION
 RESOLUTION
 PROCLAMATION

I. REQUEST/ISSUE & BACKGROUND INFORMATION:

Direction from City Council at last work session was to have the Central Fire Station Site Selection Committee research the following:
-Utilizing the Mountain Fire Station as a Flagship station for the Fire Department through remodel addition or complete rebuild
-Research feasible locations for a Central Fire Station as a smaller Satellite Fire Station

II. SUMMARY AND ALTERNATIVES:

The consultants have researched and presented two options for the Mountain Fire Station; a complete rebuild and a renovation/addition of the existing fire building. The presentation will provide an overview of each option along with preliminary cost estimates.
Four potential locations for the Central Fire Station location will be presented. Of these, two sites are being recommended as viable options that meet the majority of the criteria set forth by the committee at the beginning of the project.

III. STAFF RECOMMENDATION:

The Central Fire Station Site Selection Committee is requesting City Council further refine the project scope by selecting one of the two options presented on the Mountain Fire Station, and one preferred location for the Central Fire Station.

The committee recommends the following:

- Complete rebuild of the Mountain Fire Station
- Either the 401/425 Lincoln Avenue location or the 1125 Lincoln Avenue location for the Central Fire Station.

IV. FISCAL IMPACT:

The immediate fiscal impacts are accounted for in the CIP for the Central Fire Station Site Feasibility Project.

Long term fiscal impacts would include determining funding the two fire station projects.

V. LEGAL ISSUES:

No legal issues at this time.

VI. CONFLICTS OR ENVIRONMENTAL ISSUES:

No conflicts or environmental issues at this time.

VII. CONSISTENCY WITH COUNCIL GOALS AND POLICIES:

This project is in line with City Council goal #2 for 2020.
