

Rainbow Agenda 3 Alleys

Draft agreement language related to alleys:

"Whether the City will accept Brown Ranch alleys for maintenance purposes will depend on the City's approval of the design of each alley that YVHA requests the City to maintain, including whether YVHA proposes to grant easements or other property rights adequate to accommodate the storage of snow removed from alleys. The City will make this determination in connection with its CDC review of the subdivision plat or plats that propose the dedication of alleys and acceptance of the alleys by the City for maintenance purposes. YVHA acknowledges that the CDC does not address this issue and that the City's Public Works Director shall have the discretion to approve or deny alley maintenance requests based on the application of general transportation engineering and snow plowing principles."
